

Sticker Books

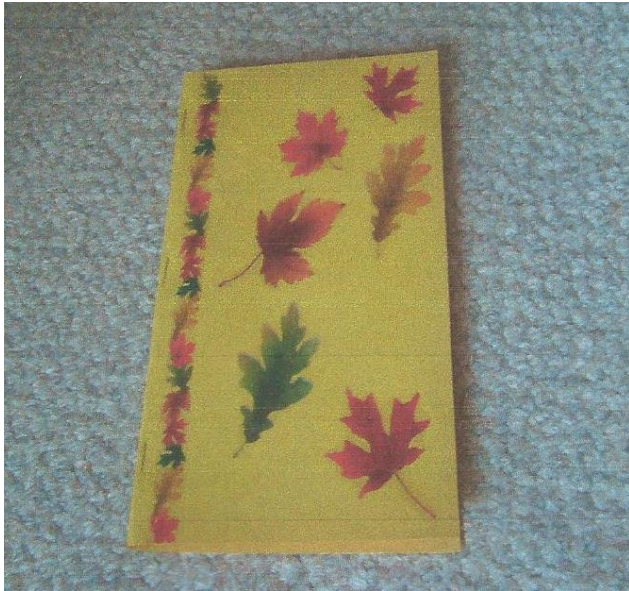

Items needed

- Construction paper for pages – 5 sheets per book
- Construction paper for cover – use different color (1 sheet)
- Stickers
- Paper clip

Cut construction paper to measure 8" x 11". Fold in half. These are the pages. Fold full-sized sheet of construction paper around the pages. Staple along fold on left side. Decorate cover with stickers. Place sheet of stickers inside the book and secure with paper clip.

Coloring Books

Coloring book is made the same as above. However, instead of making pages from construction paper, use plain copy paper.
