

TOOL KIT

Great idea for boys box, ages 10 - 14.

Items needed:

- School box (optional)
- Sandpaper (1/4 sheets work well)
- Assortment of nuts, bolts and nails
- Small hammer or screwdriver
- Nail apron
- Medicine bottle

Place assortment of nuts, bolts and nails in medicine bottle and place in school box.. Assemble remaining items into school box. The school box can be used for their tools, school supplies or even a plate. If you do not have enough room in your shoebox, items can be placed in a ziplock bag.

HELPFUL HINT...Nail aprons can be purchased at Home Depot for less than 90 cents! Screwdrivers can often be found at odd clearance sales or at dollar stores.
